Why CQI and IRCA?

CQI and IRCA is the leading professional body for management system auditors and offers a globally recognized business qualification. **CQI and IRCA** represents over 10,000 registered auditors in 150 countries and every year, around 60,000 delegates attend **CQI and IRCA** certified training course.

CQI and IRCA Certified courses are recognized as an industry leader and **CQI and IRCA** endorsement means that you can be confident that the course you are attending:

- Covers the key knowledge and skills you need to start your journey as a management systems auditor
- Will be taught by tutors who are experienced auditors and trainers who have fulfilled CQI and IRCA tutor competency requirements
- Will be taught using a variety of proven practical student- focused learning techniques to help you learn and enjoy the course
- Has a limited class size to maximize participation and optimize your learning
- Has been regularly assessed by CQI and IRCA approved technical assessor.
- Completion of this course is the first step to becoming **CQI and IRCA** registered, to find out more please visit www.irca.org/join

CQI and IRCA recognize that attending a training course is usually a major commitment, both in terms of cost and time. When choosing the right training organizations and the right course, make sure you look for those that display the **CQI and IRCA certification mark**.

CQI and IRCA only approves organizations that have demonstrated a high standard of technical and training expertise. All training organizations approved by CQI and IRCA must demonstrate that they have the competence to achieve the learning outcomes for each course and to examine the performance of students.

When you are choosing CQI and IRCA certified Course and Training Organization you can be certain that

- Your knowledge and skills are developed through an interactive and practical approach to tasks and audit activities.
- Courses are delivered by tutors who are experts in management systems in auditing and experienced in training.
- Students are formally assessed and examined during training.
